All about the location

Niederschönhausen is one of the most pleasant and greenest districts in Berlin. The extensive green spaces, such as the nearby Zingerwiesen, offer an idyllic setting for walks and outdoor picnics. Here you can breathe in the fresh air and escape the stresses of everyday life. In addition to the Zingerwiesen, the Schönholzer Heide, the Bürgerpark and, of course, the extensive park at Schönhausen Castle are also great places to spend time with the whole family. Parents are not the only ones who will get their money's worth, as the surrounding area has numerous play and amusement areas to explore. Despite its quiet location in the middle of the countryside, Pankow-Niederschönhausen offers excellent public transportation connections and is close to the Berliner Ring freeway exit. You can easily reach the Berlin-Pankow S-Bahn and U-Bahn station in around 14 minutes on the M1 streetcar line - the streetcar stop is 50m away. The S-Bahn station offers connections to the S1 and S2 lines, which serve the city center and the western part of Pankow. The subway connects the southern part of Pankow with City East and City West. There are also a number of other streetcar and bus lines that provide excellent public transport connections.
