A first impression

This incredible plot located just a few meters from the sea in Varadero in Puerto Santiago is for sale with a magnificent project designed by a famous local architect. The project consists of 55 luxury homes divided into two blocks with sea views. It also has two communal swimming pools that surround each building in its entirety, a communal solarium, and a gym. The penthouses and ground floors have their own private pool and are also equipped with private rooms and parking in the basement. Additionally, the ten penthouses that make up the complex have private elevators. The project is designed to be executed in two phases if necessary, as it has separate accesses for this purpose. If you are looking to invest in a unique place with a sunny climate almost all year round, this is a great opportunity. Contact us and book an appointment.
