## All about the location

The lively resort of Santa Ponsa - or "Santa Ponça", is a typical family resort in the southwest of Mallorca, only about 25 km from the island's capital Palma and the airport. It is only about 25 km from the island's capital Palma and the airport and is considered an area with many different leisure options: sea lovers will find just as much to do here as those who want to go hiking or swimming. The center of the town is made up of forests and a beautiful landscape, and the beach is ideal for sunbathing! Santa Ponsa has two sandy beaches: one is the 560-metre-long Playa de Santa Ponsa, known as "the big beach", and the smaller Caló d'en Pallisser cove, known as "Playa pequeña" or "little beach". Santa Ponsa also has several excellent golf courses. Sailors also get their money's worth here, as the area has a beautiful natural harbor with a yacht club and excellent gastronomy! If you want to see the big superyachts, you can continue to the luxury yacht harbor Port Adriano, which is only 10 minutes away. There you will also find a wide selection of restaurants and bars! In addition, there are some of the most luxurious properties in Santa Ponsa.
