A first impression

"Erba rises in staggered stages on an open hill, and with all the villas and terricciuole that crown it, it almost renders the image of a mountain town. Western Brianza has no land more playful than this, nor richer in gracious villas." (Cesare Cantù, historian and man of letters late 19th century) Timeless elegance in the Lake Como area: Historic villa with private park. Nestled in the lush greenery of a quiet and privileged location, this historic villa situated between the lakes of Pusiano and Alserio, not far from Como and Lecco, represents the essence of luxury and refinement. Originating in the 1700s, the elegant residence has been carefully restored to combine the timeless charm of tradition with modern comfort and technology, offering a unique living experience. A true architectural masterpiece with exquisite details. With a total area of more than 1,140 m² distributed on four levels, the villa is distinguished by its spacious and bright spaces, floors made of fine materials, and finishes of the highest level. Every detail has been designed to enhance the architectural beauty and create an atmosphere of sophisticated elegance. The 345-m² ground floor welcomes guests with an impressive and refined living area, perfect for exclusive receptions or relaxing family moments. The second floor, with its 372 m², houses master suites and independent apartments, offering maximum privacy and comfort for each family member or guest. On the second floor, measuring 195 m², additional living spaces allow for customization, while the basement, measuring 230 m², is dedicated to services and relaxation, with functional service rooms and a large wellness area.
