All about the location

Alaró is located in the heart of Mallorca, around 26 km from Palma, in the Tramuntana mountains. The municipality is known for the Alaró mountain (825 m) with the historic Alaró castle and the Alcadena mountain (817 m). Its history dates back to the Talayotic era. The castle fortress was first mentioned in the 12th century, is located on a mountain peak and offers a breathtaking panoramic view of the island. There is an inn there and you can also stay overnight. The ascent is a popular hiking route for nature lovers and history buffs. The Gothic church of Sant Bartomeu, in the center, is surrounded by cozy cafés and restaurants. In the late 19th century, industrialization and innovation made Alaró the first town in Mallorca with electric lighting and the first cinema. Today, the town is a popular starting point for hikers and cyclists. The region is known for its olive groves and wineries, which offer first-class local products. Alaró celebrates on June 29 in honor of San Pedro and the week before August 16 in honor of San Roque, with traditional dances such as the Cossiers dance. Alaró has many restaurants, hotels, agritourism farms and cultural events, such as the organ concerts in the church of Sant Bartomeu. The lively village life, coupled with its proximity to Palma and the island's beaches, makes Alaró a desirable place to live. Discover the beauty and charm of this unique village - an ideal investment for property buyers in search of authenticity and tranquillity.
